SIR.

With reference to your official memorandum, No: $\frac{\text{Rev}}{1423}$, dated $\frac{6}{16}$ April 1895, forwarding for report, petitions received from Balajee Rao and Mahadeva Rao, great grandsons of Dewan, Rama Rao, jaghirdar of Mahadevapur, I have the honor to submit for your information, letter No: 140, dated 30th ultimo, in original, with its accompaniments, received from the 3rd General Assistant Commissioner, reporting, inter alia, the

the general condition of the gaghir, its management, and the present state of the petitioners. It will be observed that the petitioners have apparently settled their differences with their father, and withdrawn their application for a piee allowance. Instead of appearing before the Sub Division officer, they contented themselves with submitting a petition, asking for a loan, from Government. This is not supported by all the parties interested in the gaghir, or accompanied by detailed accounts of the present encumbrances on their gaghir villages. their income &c, And

I do not consider it necessary how to offer any remarks on the application for a loan of ₹ 2,000 Rupees.

The petitions received with the memo under reply, are herewith resubmitted.

No. 140

The Govt. Sheristadar's office
Mysore District

Dated Mysore 3rd May 1905.

(4a)

From,

The 3rd Govt. Sheristadar
Mysore District

To,

The Deputy Commissioner
Mysore District.

Sir,

With reference to your Memo No. 1922, dated 18th ultimo directing enquiry and submission of a brief report in respect of two petitions sent up to Government by Srita Pantha Balaji Rao great grandsons of Dewan Purna Rao Jagirdar of Mahadevapur, I have the honor to submit for the information of Government an English version presented to me by the said petitioners in answer to a notice issued to them to appear before me for enquiry into the matter of their petitions.

2. The said petitioners are the sons of Mr. Purna Rao present Jagirdar of Mahadevapur. During the Purna Rao contracted by Mr. Purna Rao the Jagir income was found to be hardly sufficient to subsist the family after paying interest on

on the said debts. Hence the petitioners, dissatisfied with the uneconomical management of the family affairs, of their father, filed suits to recover their shares in the jaghir unencumbered by the debts of Sm: Rama Rao. As the Civil action progressed at its usual slow pace, and as the petitioners father ceased to support them owing to their hostile attitude towards him, the petitioners were reduced to extreme want. It was in this state of their circumstances that the petitioners sent up their urgee to Government soliciting the grant of rice dole to them for their support.

3. Lately the father and the sons appears to have settled their differences amicably and to be living together. Thus the necessity for the petitioners to apply for Government aid for their support has ceased off.

4. Now, the petitioners prayer contained in the enclosed English petition is, for the grant of a loan of rupees forty two thousand by Government on low interest on the security of their jaghir, as has been done in the cases of their cousins Risaldar Krishna Row and the late Rejimentdar Sriq Lukshman Row's sons.

5. It is needless to point out that the petitioners belong to one of the most respectable families, their ancestors Dessay Bicko Panth Fauzdar, Rania Rao, and Butshi Bheemee Route having rendered distinguished and valuable services to the State, and enjoyed honors and jaghirs bestowed on them by H. H. the late Maharajah Srishtna Raja Wadayar Bahadur, both of his own accord, and at the recommendation of the British Government. There is no doubt that the grant of jaghirs to the family was chiefly intended to provide for the permanent maintenance of the family compatable with its respectability or at least to prevent the possibility of their being reduced to want.

6. The enclosed pamphlet containing a brief history of the family together with copies of letters from distinguished British officers, and Firmans from the late Maharaja, shows, in what high estimation the family was once held by the two Ruling Powers. It therefore seems to me that any liberal consideration which Government can show to the petitioners, will

will be quite in consonance with the honorable and generous treatment accorded to their ancestors by the two Governments.

7. The present annual income from the Jaghir is said to be Rupees four thousand and odd, and the liabilities of the Jaghirdar is believed to amount to forty two thousand rupees. The loan of rupees Forty Two thousand now asked of Government, on the mortgage of the Jaghir, does not seem to me to be a bad investment. Further it is believed that the present income from the Jaghir is at its lowest ebb owing to the unskillful and neglected management of the estate by Mr. Rama Rao, and that it may considerably increase under Government management, and prove adequate not only to pay the interest and to sink the debt, but also to disburse a small allowance for the maintenance of the family.

9. While the Jaghir remains under the management of Government till the liquidation of the whole debt, it may not be too much to bestow some small appointments on the sons of Mr. Rama Rao with due regard to their qualifications, & in addition to small allowance from the Jaghir income referred to in the above para.

Respected Sir.

With reference to your letter No: 3-3 dated 6th ult requesting me to forward medical certificate for being examined in connection with my petition of 16th ult addressed to His Excellency the Governor praying that I may be allowed to retire on invalid pension on account of the following reasons as "follows.—

1. My constitution & health are greatly impaired owing to the nature of the duties I have had to perform during the last 15 years of my service, & I am in fact unfit for a long time, hence the Govt is entitled to my services for one hundred days in the year; & I have not the slightest objection to undergo the medical examination as required by the Govt, but I am unable to attend the Civil Surgeon's office as I am confined to bed with fever & ague. My petition was also submitted praying that my salaries

may be taken care of by God as it has increased the Bank now the said claims and a compromise effected by which a division of the Profits jointly made and made. Each of us is liable to pay a debt of Rs. 4000, the income of each share being between Rs. 200 & 300. The present Management rests with our father as usual. —

We now beg to represent that the debts having been reduced to a little extent and consolidated in a lump sum of Rs. 4000 and the profits increasing about 200 - we pulled and sent compatible pay. The Govt may be graciously pleased to sanction an advance of a debt of 4000 on the security of the share in accordance with the Govt proceedings quoted and grievous made for the amelioration of our present condition -

With regard to the two items debited by the Executive & the Validity of our family we beg tendering herewith a copy of testimonials for kind perusal -

In conclusion we pray
that you will be pleased
to recommend our
case to the favourable consideration
of the Govt. with your
strong support.

SIR.

I have the honor to submit for perusal, and orders of Government, petitions dated the 25th February and 30th May 95, with two enclosures, presented by Dharmadhikari Chakravarti Iyengar, Kasi Rama char, and 15 others, holding writtes or inams, in the Suvarnamanyam Villages of Mahadevapur, and Hemasagahally, situated in the Seringapatam, and T. Narsipur Taluks, respectively.

2. His Highness, the late Maharaja Krishnaraj

Krishnaraj Wadayer, granted these and 6 other villages to Bakshi Rama Rao, in jaghir, in recognition of his services to the state. The 2 villages having a total levy of 767 hagadas or Rs 2236, were subsequently endowed in Vrittis to Brahmins as shewn in the margin by the jaghirdar.

3. These vrittis have been under the management of the present jaghirdar Rama Rao, as agent of the Vrittidars, from the year 1874. The petitioners have brought to notice that the jaghirdar, has utterly mismanaged the villages, and appropriated to himself the income from the Vrittis and "maddika bals" or items of revenue held in common by the Vrittidars, without rendering them proper accounts. The villages have been, it is said, declining in prosperity, from failure of the jaghirda

Revenue and General Department

Sir,

With reference to your docket No. 202/P 318 dated the 19th July 1875 in re the petition of Dharmapitkari Channabasappa Jyegar and others, praying for the transfer of the management of their entries in Nadadeipur and Hanchahalli from the Jaghirdar to Government, I have the honor to state as follows.

2. The villages referred to were given to the present Jaghirdar's grandfather in consideration of his services to the State. He divided them into entries and gave them in the year 1819. to certain Brahmins of the Agrahar which he founded in Nadadeipur without any express condition. The wording of the Cowle plate Sanad issued by him to the entitlers (Copy of which produced by the latter is herein enclosed) shows that the entries were given to them as Sarva Inam by the Jaghirdar in the same manner as which the extent the grant is

of the entire village from the Registers
the late Talaveina Commissariat of the Jagir
mainte written.

2. The present writtiars, who want the
management of their writtis to be write
drawn from the present Jagirdar —
State that the writtis were formerly —
managed by their own agent till the
appointment of the Jagirdar as such.
Sirkar and Commissariat to produce any
documentary evidence in regard of
the exercise of their right of manage
ment. The previous papers in connection
with the management of the Jagir
villages generally, do not show such
the case of the above writtis were
separately identified as distinguished
from the rest of the Jagir. The
Jagir villages were managed by the
late 11th Regimental Battalion.
from 1790 to 1804 when the manage
ment was transferred to the present
Jagirdar's [illegible] Ramanad. The file
of Correspondence relating to writti —
-ties transfer sifted from the records
of the late Chingleput Collector's Office
is herewith submitted.

4. The Jagirdar was twice asked to

to State his objection if any to the transfer of the management of the mattila from him; but the just & giving a reply by stating that he wanted a Copies of certain correspondence. — the was told to apply for them and get them on payment therefor - but he did not do so. His reply received on the 19th February 1896, after a third requisition sent on 12th February 1896. is enclosed. From this it will be seen that he is against according to the petitioners' prayer.

5. The enclosures of the docket under reference, as well as the statements of the petitioners, produced before me on the 9th December 1895, and its accompaniments are herewith submitted. —

6. I do not know if this is a matter for Government interference. —

I have the honor to be,

all disputes amicably
with the Vrittiars. If
they do not come to any
such arrangement, it
must be left to the Jaha-
girdar and to themselves
to settle their disputes
in the best way they can.
But, if the Vrittidars, re-
gard themselves as joint
proprietors of these alienated
villages, it is for them to
proceed, under the provisions
of the Land Rev Code, to
have the joint interest
divided. It is, however,
undesirable that any
extreme measures should
be taken in this matter, as
the parties should,
therefore, be advised to
settle their differences

amicably with the Jaha
girdar.
